**McGowan Wins Amateur Ice Championship**

Lake Placid, N. Y., Feb. 20.—Victory in the three mile senior final this afternoon won for Everett McGowan, St. Paul's skating sensation, the international amateur ice championship. The western youth finished with a total of 120 points. Joe Moore, wearing Lake Placid colors, was his nearest rival, with 109. Edmund Horton of Saranac Lake, was third with a total of 70. Charles Jewtraw, of Lake Placid, eastern amateur champion, whose showing for the week was a distinct disappointment to his supporters, finished with 60 points. In the three mile race which decided the title, Moore followed McGowan across the line. Jewtraw was third.

Miss Rose Johnson, Chicago, won the first women's international skating title. She scored 110 points. Miss Esmeralda Dunlap, also of Chicago, was her closest opponent with 70 points and the other feminine entrants were far in the rear, none scoring more than a total of 50. Miss Johnson clinched the title by winning the half mile for women today.

Sportsmanship displayed by Joy Joe Moore, who is a former champion, was a possible mixup in points at the end when he suggested, after the finish of the three mile event in which McGowan was the victor, that neither competitor in the hurdle race, declaring, "You are not a hurdler; neither am I, why decide the title on a possible hurdle." The suggestion was accepted by McGowan. Victory for Moore over McGowan in the hurdle race would have given the Lake Placid entrant the title.

Cold weather and fast racing conditions marked the last day's events. Moore won the 220 yard dash in the most exciting race of the day, defeating Edmund Horton, Saranac Lake, by inches. Jewtraw was a close third. The only accident to mar the day's events occurred when Lisle Deane, star of Saranac Lake fell in the hurdle race, breaking his shoulder. Edmund Horton won.

is confident that leniency will be shown him. Johnson said his chief reason for returning to the United States was to obtain a fight with Jack Dempsey, present heavyweight champion, in an effort to regain the heavyweight crown.

(Special to The Bulletin.)  
The Emeralds had a close call in winning from the Milford, Mass., team, the league champions of New England, in the Valley street armory, Williamantic, Friday night. After leading at the end of the first half, the Emeralds slumped in the second period and allowed the visitors to come within one basket of tying the score. The score at the half was 25 to 14, and at the end of the game 32 to 22 in favor of the Emeralds. The contest was rough in spots. Norman Higgins, who excelled for the local team, was fouled by Milford's Allen and Allison for Milford. The lineup:

**DUEL CLUB PREPARES FOR BASEBALL SEASON**  
Friday evening the members of the Duvel club and over 50 of the most enthusiastic baseball fans of Norwich held a meeting in Billings' hall to discuss plans for the organizing of a semi professional baseball team for the coming baseball season. Dan O'Brien was

unanimously elected to manage the team and promised to secure only the fastest players in the state. Messrs. Calkins, Gross, Dolan, Blackburn and Pedco were then a committee to close a deal which will get the Duvel club one of the most centrally located baseball parks in the city. After most of the business was transacted the question before the house was the raising of funds to conduct the team, and immediately the men came across with \$5 and \$10 contributions until over \$200 was secured, and as considerable money is needed to run a baseball team most of the baseball fans will be asked to make some sort of a contribution that will help the progress in Norwich during the coming season. The meeting closed at 9:30 with the understanding that on Friday evening, March 5, 1920, another meeting will be held at the Duvel club and that anyone interested in baseball is cordially invited to attend and express their views on the baseball team which is being organized by the Duvel club during the coming season.

Anyone wishing to contribute to the welfare of the Duvel baseball team kindly notify Mr. Carey, financial manager, 7 Penobscot street.

**DIFFERENCES AMONG MISSIONARIES IN KOREA**

New York, Feb. 20.—Sharp differences which have developed among missionaries in Korea concerning reforms put in operation by the Japanese were shown in two reports made publicly today by Rev. Sidney L. Gulick, secretary of the commission on relations with the Orient of the Federated Churches of Christ in America.

Names of both writers were withheld. One complained that the first reform granted, restoring the right of the Koreans to bury their dead in private cemeteries instead of public graveyards provided by the government, showed a "touch of irony" because it related to the dead rather than the living, while the other maintained that such a reform was a "touch of irony" because it was unfair, as it was the first on the list of reforms asked for by Koreans of the higher classes.

The pleas for amnesty, immediate abolition of flogging and torture, free speech and other measures have not seemed to "catch the imagination of the officials," according to the first, while the second said the revolution was a mistake, for people were not ready for self-government and that he was convinced the Japanese government was determined to give Korea an enlightened administration.

**WILSON'S ADRIATIC REPLY GOES FORWARD TODAY**  
Washington, Feb. 20.—President Wilson's reply to the entente premiers on the Adriatic question probably will go forward tomorrow. Acting Secretary Goff continued to study it today and after it has been put in the usual diplomatic form and has been approved finally by the president it will be coded and put on the cables.

State department officials still steadfastly refused to discuss the contents of the document, but a feeling of satisfaction was noticeable in administration circles and it was generally understood that the president made an unequivocal statement of the American government's position.

While further exchanges on the subject are expected, it is believed that with the delivery of the president's note by Ambassador Davis at London the question will have been removed from the argumentative stage.

**MEN WITH LIQUOR OFFERED OFFICER BRIBE**
